### Quotes from the Saints

The fear of God illumines the soul, annihilates evil, weakens the passions, drives darkness from the soul and makes it pure. The fear of God is the summit of wisdom. Where it is not you will find nothing good. Whoever does not have the fear of God is open to diabolical falls. (*St. Ephraim Syrian*)

Whoever has become a servant of the Lord fears only his Master. But whoever is without the fear of God is often afraid of his own shadow. Fearfulness is the daughter of unbelief. A proud soul is the slave of fear; hoping in itself, in comes to such a state that it is startled by a small noise, and is afraid of the dark. (*St. John of the Ladder, The Ladder, 21.11,1,4*)
